Making Important Choices for the Future

One hundred years ago, during the winter of 1914-15, the Board of Directors of our Lakewood Masonic Temple Company was busy trying to wrap up important design choices for the new Lakewood Masonic Temple and raising the necessary funds to advance the evolving design from the architectural drawing phase to the construction phase. [Our current Board of Trustees might rightly note that, a century later, it seems that some things never change.]

In April 1914 the Temple Company's stockholders had agreed to raise the \$20,000 capital stock in the corporation to \$75,000, reflecting the evolving higher cost estimates for the new Temple. That spring floor plans were circulated and changes made to accommodate suggestions from the various constituent organizations that would meet in

the new Temple. [Lakewood Lodge F&AM, Lincoln Chapter OES, and Cunningham Chapter RAM pre-dated the 1912 incorporation of the Lakewood Masonic Temple Company; and in 1914 Gaston G. Allen Lodge F&AM was in the process of formation to accommodate the surge in new members that Lakewood Lodge was unable to handle.]

By July 1914 the cost estimates added up to \$83,000 to which \$4,000 would have to be added for an all-stone exterior [which was eventually decided in March 1915] plus additional amounts for interior decorations and fixtures.

An agreement with Lakewood State Bank was reached in September 1914 to borrow \$5,000 to \$10,000 on short notice if required.

In December 1914 the Building Committee wanted to request an exception from the Ohio State Building Code which required fireproof window frames and sash on the west façade of the building. The Committee subsequently modified its recommendation to include plans for metal window frames on the second floor, basement and mezzanine floors. [As the Temple was eventually built,

Appreciated Assets As One-Time Gifts

With stock markets once again surpassing their all-time highs, the opportunity to make gifts in the form of appreciated assets becomes more attractive to many donors.

There are various reasons to use appreciated assets to make one-time gifts to an organization such as The Lakewood Masonic Foundation. Chief among them are the sense of personal satisfaction you will achieve from making a special gift and the likely benefit you will receive from the unique tax breaks for this type of gift.

A gift of an appreciated asset often provides you with a greater tax benefit than a gift of cash. For example, a gift of appreciated stock that you have held for more than 12 months can be deducted at its current value if you itemize deductions, and you won't have to pay capital gains tax on the appreciated portion of your gift. As always, you are encouraged to consult with your legal and tax advisors before making a gift of this type.

There are two ways to use appreciated assets—such as stocks, bonds, mutual fund shares, real estate and insurance policies—to make a special gift. One option is to donate the asset outright, meaning that it would be transferred immediately from you to The Lakewood Masonic Foundation. Another option is to fund a lifetime income gift, which will provide you with income for your lifetime or for some other specified period of time.

If you are interested in donating an appreciated asset, please contact The Lakewood Masonic Foundation, 15300 Detroit Avenue, Lakewood, OH 44107-3888 to discuss proper arrangements. You may also email donate@lakewoodmasonicfoundation.org.

If you prefer to make a more straightforward gift, you may simply write a check using the form in our newsletter (see page 11), by responding to our semi-annual letter appeals or by adding a donation to your annual dues.

You may designate your gift or bequest to be used for our historic preservation, educational or charitable purposes; split your gift among these purposes; or simply ask that your gift be devoted to our greatest need. All gifts, other than a small percentage spent for printing and mailing, are used for our stated purposes.

Your donation is a special way of showing your love for our Lakewood Masonic Family and for our historic home. Our 2016 Centennial is fast approaching, and we still have lots of catch-up maintenance to complete on our facilities.

While gifts and bequests may be directed to our Lakewood Masonic Foundation, our Lakewood Masonic Temple Endowment Fund or our Lakewood Masonic Temple Company Operating Fund, please note that only gifts and bequests to our Lakewood Masonic Foundation are deductible for federal income and estate taxes to the extent permitted by law. Gifts to our Endowment and Operating Funds are not deductible; but, depending on your tax situation, deductibility may not be an issue for you.

Master's Message

Brethren:

I would like to thank all of the members of Clifton-Gaston Allen Lodge #664 for honoring me with the privilege of presiding over our Lodge for this year. I will try to do everything in my power to live up to this conferment you have given me and will do my best to advance Freemasonry this year. I would also like to congratulate Worshipful Brother Edward W. Haupin for his year of service as Master and his many years of service as a Brother Mason. He is what we strive to be as Masons. Thank you Wor. Bro. Haupin.

I would also like to thank our friends from the north, Trinity Lodge #521 of Windsor, Ontario for making their annual pilgrimage to our Installation once again. I would also like to thank Trinity Lodge for extending an honorary membership to our own Wor. Bro. Bill Rohlke, Jr. It has been a long time since we have received such an honor, and we are all grateful that our ties with our Brothers to the north are still quite strong. I am looking forward to our trip to Canada this year.

We have a strong calendar this year, and we will need all our Brethren to help achieve our goals. I am looking forward to our 2nd annual Fish Fry Fundraiser and our Awards Night, as these are two events our families can join with us. We have at least seven events each year that our families can be involved—they are our annual Installation, Christmas Party, Light Up Lakewood Parade, Lenten Fish Fries, Awards Night, Fourth of July Parade and our 4th annual cook out at my house. I hope to see everyone at every event—"Please."

Our annual Family Christmas Party returns this year in conjunction with Lakewood Lodge and the other organizations in our Lakewood Masonic Family. Our party will be held at our Lakewood Masonic Temple on Tuesday, December 16, beginning at 6:30p. Santa will be present to present gifts to children 12 years old and younger, but he needs some advance notice. Please RSVP to me by Tuesday, December 9, with the name, age, gender and parents' names of each child you will be bringing.

I encourage every member of our Lodge, especially our officers and Fellowcraft Team members, to attend as many Inspections as your schedules will permit. In addition to gaining greater appreciation for the lessons taught in the degrees, it's a great aid to learning the various degree roles.

In closing, I would like to thank all of you once again for your continued support and look forward to serving all of you to the best of my ability.

Master's Message

Fraternal Greetings Brethren and Friends:

By the time you read this, I will hopefully have been elected/installed as Worshipful Master of Lakewood Lodge for the 2014-2015 Masonic year. As one of the newer members of the Lodge, it's hard to believe that, just three years after being raised, I have the honor of assuming the East and guiding our beloved Lodge. If you haven't been to Lodge recently, I urge you to do so. We have steadily been building the Lodge back up, but we are nowhere near where it was in it's glory days. The Fraternity as a whole can make this claim, so it's up to us younger Masons to step in and step up to turn it around. That being said, we still need the help and wise counsel of our Past Masters and more experienced Brothers. You truly are the foundation for us and future generations to build upon, and I thank you for your past and continued service to this Lodge and the Fraternity at large. We need to show people what it truly means to be a Mason again. Get involved with the community; and make people aware that we are part of this city and we're here to help, not just get dressed up to listen to what happened at the last meeting and pay bills. We've started quite a few programs over the past couple years including the Fourth of July and Light Up Lakewood parades, Toys for Tots, school supply drives, and Temple-wide fish fries; and we have ideas for many more events. Now we just need everyone to help out and make these events better each time we do them. Also, over the two years we are going to be celebrating our Temple's centennial and the various reenactments and ceremonies that go along with it. It's a very exciting time to be a Freemason in Lakewood. Again, if you haven't been to Lodge in awhile, I strongly urge you to do so. We're doing great things, and they can only get better with you there! I hope that the Supreme Architect will imbue me with the wisdom and patience to govern the Lodge; and, with the help of our line of officers, I hope to make this a spectacular year. I'll leave you with a few of my favorite quotes. Though they may be simple, they're quite profound:

"I hope I shall possess firmness and virtue enough to maintain what I consider the most enviable of all titles, the character of an honest man."
-George Washington

"Our virtues and our failings are inseparable like force and matter. When they separate, man is no more."
-Nikola Tesla

"Your own soul is nourished when you are kind; it is destroyed when you are cruel."
-King Solomon

Hope to see you soon!

Matron's Message

Greetings, Sisters and Brothers!

On Wednesday, October 29, a new corps of officers was installed at our 94th Installation of Officers. Donald Van Horn and I, Gloria Cazan, are very honored to be serving as your Worthy Matron and Worthy Patron. It was a very exciting evening with over 120 members, visitors and guests present. Included were many Past Grand Matrons and Past Grand Patrons, Deputy Grand Matron, Grand Representatives and our own Grand Sentinel, William Cox. We are excited to have a Grand Floor officer from our District, especially the Grand Sentinel.

Our theme this year is Families and our motto is "Families are tied together with heart strings." Hearts and red roses are everywhere at Ann Rutledge.

The family tradition of a Thanksgiving Dinner was shared by many members and guests at our last meeting in November. December brings members looking forward to our Christmas dinner with a cookie and Christmas cards exchange. Bake your favorite family tradition Christmas cookie and share with us.

A new year brings Obligation Day at our first meeting in January. Join us to renew your obligation. Make it your New Year's resolution to attend more Chapter meetings this year. We would love to see you. February brings a Valentine Day celebration and Mardi Gras. Will you help us celebrate?

Don and I would like to thank our officers and committee members for agreeing to serve Ann Rutledge Chapter this term. We look forward to having a lot of fun and making many family memories. Come and be a part of these memories.

High Priest's Message

Companions:

I have found myself a couple months into my first voyage of what it feels like to be in the East. I must say, although these tasks can be sometimes difficult and, not to lie, stressful, I am becoming more of a heart-driven individual than I thought I could ever be. And I hope that each and every Mason throughout his journey feels the sense of transformation that I feel in this fraternity. Through every step, every lecture, every lesson, the heart grows fonder. As the heart grows fonder, the mind ceases to obtain an ego. By ego I mean the conscience of the mind to your own self, and I hope through Masonic teaching it withers away. For yourself is not of importance, it is those around you who make your perception of life the reality of what it truly is. These are the strong points of our Chapter. What you give, give freely; For the Lord loveth a cheerful giver. Even if what you give is your time, your efforts, your feelings, your contributions, or even your sacrifice, you are giving another human being the power of truth; or at least leading these unfamiliar minds to a path of their own truth. We conferred the degree of Mark Master last month; and, although it was a little rocky, I believe we impressed upon the mind of our candidate the true observation of that degree. He is very curious and ambitious to proceed in his Masonic knowledge for the rest of my time in the East, and I plan to fulfill that request. Our Inspection this year will be in the degree of Royal Arch in February. I have every intention to practice this fully and sufficiently to execute an amazing degree. Once again, I cannot do it without the support and love of my Companions; and I treasure and appreciate each and every one of you. Let us prepare the minds for Inspection. There may be a degree or two along the way, but I anticipate February to be a very rewarding month for all of us. Give what you can, when you can, and be cheerful to do so.

"Natural man is not a 'self'—he is the mass and a particle in the mass, collective to such a degree that he is not even sure of his own ego. I conjecture that the treasure is also the 'companion,' the one who goes through life at our side—in all probability a close analogy to the lonely ego who finds a mate in the self, for at first the self is the strange non-ego. But a conscious attitude that renounces its ego-bound intentions—not in imagination only, but in truth—and submits to the supra-personal decrees of fate, can claim to be serving a king. I wouldn't call the ego a creation of mind or consciousness, since, as we know, little children talk of themselves first in the third person and begin to say 'I' only when they have found their ego. The ego, therefore, is rather a find or an experience and not a creation. The self in its divinity (i.e., the archetype) is unconscious of itself. It can become conscious only within our consciousness. And it can do that only if the ego stands firm." --Carl Gustav Jung

Master's Message

Companions:

We are well into our new year of Lakewood Council. I am very pleased to announce that, at this year's Grand Council Assembly in October, our Council was honored with the award of three new gavels recognizing Lakewood Council's exceptional contributions to the Seventh Arch. Our officers are putting these new gavels to good use.

I would like to congratulate Ann Rutledge Chapter #453 O.E.S., Lakewood Lodge #601 and Clifton-Gaston Allen Lodge #664 on the election and installation of their new officers and wish them each a wonderful and eventful year.

We are entering the Inspection season for all bodies, and I encourage all Companions and Masons alike to travel and observe and participate in as many Inspections as your cable-tow will allow. By seeing and helping we learn to be stronger in our own rituals and fulfilled in our own lives.

Our own Inspection this year will be on February 4 in the Royal Master Degree. We always welcome volunteers to learn and perform the necessary speaking roles, but we also have many opportunities for Companions who will take non-speaking roles, for example, as Giblites. Of course, we also need volunteers to take roles in both the Select Master and Super Excellent Master Degrees. We will be partnering with Elyria Council again this year to confer the SEM. Even so, there's never a shortage of roles to be filled in an SEM Degree. Please contact me or any officer if you can help.

In closing, I hope that everyone has a wonderful Christmas and holiday season and will enjoy all of the pleasures that Masonry has to offer you and your families in the coming New Year.

Stated Conclave Second Wednesday 7:30 p.m. • www.holygrail70kt.org

Commander's Message

Greetings, Sir Knights of Holy Grail Commandery:

We are headed into the heart of our Commandery year, and we are faced with both opportunities and challenges. We are fortunate to have several new officers in our line. With most of our new officers also being new Sir Knights, we and they are faced with the challenge of getting "up to speed" with both Templar Masonry and their individual offices. Some might say that this is a nice problem to have.

We have started to practice the new ten-man full form opening that our Grand Commandery now allows as an option to the traditional full form opening that requires many more participants. According to the new Inspection protocols, we will be inspected in the full form opening by our Deputy Division Commander at our stated conclave on February 11. Our Inspection in the Order of the Temple will be on Saturday, March 21, which will be much shorter than in past years because we will not perform the full form opening that day and because introductions will be done at the dinner rather than during the meeting itself, permitting us to open one hour later, at 3:00p. The tea table refreshment period will be eliminated.

As always, please plan on attending our meetings. We would be very glad for your moral support and especially for your participation, even in a non-speaking role; and our newest members would be pleased to meet you.

Finally, speaking of our newest members, several of our new young members have taken offices in our Commandery and are in need of uniforms. If you have uniform items that no longer fit or you no longer need—e.g., coats, jackets, sword belts, swords, sword cases, chapeaux, chapeau cases—please consider donating them to our Commandery for the use of our young officers. All these items have grown ever more costly over the years, and your donation will assist a worthy young Sir Knight.

President's Message

(continued from page 9)

This is my last article for the newsletter, and I want to thank each and everyone of you, my dear sisters, for all the hard work you have done this year. At the beginning of the year I had set goals for myself and the Assembly, and thanks to all of you I have not only met them but exceeded them. Because of all of you, my year as your Worthy President was a great success and so rewarding. I cannot believe that the year is almost over, but I wish to thank you for the opportunity to be your Worthy President, and I hope that each of you feels as I do that our year together has been a success and that our bonds as sisters and as an Assembly are stronger and closer. Thank you again for the privilege of serving as your Worthy President.

Stated Meeting Second Wednesday 7:30 p.m. • www.cleveland15soob.org

President's Message

What an exciting year we are having with so many things taking place in our Assembly. I hope everyone enjoyed the beautiful colors of Autumn. It is hard to believe that Thanksgiving is right around the corner. This year our Assembly has many things for which to be grateful.

In September (Mrs. Lowell) Nancy Morris, (Mrs. William) Janice Freitag, (Mrs. David) Nancy Maiden and myself had the opportunity and pleasure of traveling to the 94th Supreme Assembly of the Social Order of the Beauceant in Grantville, Pa. We experienced a very informative day at the School of Instruction as well as several days of productive business meetings and, of course, many great meals shared with each other and several new friends. On Thursday afternoon, September 25, a memorial service was held honoring all of the dear sisters we have lost this year; and I am proud to say when they called (Mrs. Ed) Edna Beiser that there were 4 of us there to stand in honor of her memory and many years of dedication to our lovely Order. On Friday morning I was introduced along with all my fellow presidents, and what a special honor. On Friday evening the new Supreme Worthy President, (Mrs. Leslie J.) Sandy Loomis, was introduced and installed. She announced her appointments, and our very own (Mrs. Wm.) Janice Freitag was announced as the Chairman of the Supreme Courtesy Committee for the upcoming year. We are very excited for Mrs. Freitag and wish her a good year.

On Thursday, October 30, 2014, we had our annual visitation from our new Supreme Worthy President, Mrs. Loomis. This year, due to all the hard work on everyone's part, we felt much better prepared for our Inspection. Thank you everyone for all that you did to make this a good Inspection. I am very proud of everyone and of our Assembly.

In November we held our annual election of officers, and (Mrs. Robert) Marilyn Robertson was elected to serve as our president for the next year.

I would like to take this opportunity to remind all our members of upcoming events.

Our regular December meeting is December 10, 2014, at 7:30p preceded by a potluck dinner at 6:30p. Please remember that this is our annual memorial service honoring all the dear sisters that we have lost this year. Please come and show your love for them.

Our regular January meeting is January 14, 2015, at 7:30p preceded by a potluck dinner at 6:30p. This may be our Installation of new officers. Our new incoming Worthy President will let us know.

Our regular February meeting is February 11, 2015, at 7:30p preceded by a potluck dinner at 6:30p.

A reminder that our primary charity is the Knights Templar Eye Foundation which we support with our Sunshine Collection.

Our Lunch Bunch is still alternating between the East and West sides, and I am sure there will be some kind of a Christmas Party that will be announced. Remember, our Lunch Bunch supports the RTS Project.

Stated Meetings First & Third Thursdays 7:30 p.m. • www.lakewooddemolay.com

Lakewood DeMolay meets on the first and third Thursday of each month, and all Masons are encouraged to visit at any meeting. Membership is open to young men aged 12 to 21. No Masonic affiliation is required for membership other than to be sponsored by a Mason. If you know of a young man who would be a good DeMolay and who would enjoy the great experience that is DeMolay, please contact Chapter Advisor Dad Craig Haskett at 440.892.1738 or bvhomeloans@yahoo.com. Many of our older members left for college or the military over a year ago, so our need for new and younger members is particularly great. *We especially invite Masons to recommend young men for membership* and to attend our meetings. Our young men are always encouraged by your presence.

Making Important Choices for the Future

(continued from page 1)

steel frame & sash tilt windows were installed on all four façades on the Banquet Room, Lodge Room and Lodge Balcony levels. The triple hung windows installed on the Ballroom and Mezzanine levels were (and are) metal on the west façade and wood on the south, east, and north façades.]

A century later we are engaged in the process of choosing how to handle our aging windows. They are a distinctive feature of our historic fraternal home and must either be restored or replaced with historically appropriate modern windows. The historic window restoration process is challenging and expensive in its own right, and it would leave us with 1916 technology windows lacking the energy efficiency of modern windows; so we would have to incur the additional expense of either exterior or interior storm windows. And we don't get to make this choice on our own. By virtue of being located in Downtown Lakewood, the City must agree to any changes in our exterior appearance. Several years ago we reached an agreement with the City and replaced our Lodge Balcony level windows with historically appropriate modern windows. But either way, we will depend on *your* important choices—will *you* share some of *your* treasure, large or small, with our Lakewood Masonic Family to fund these vitally necessary upgrades? You may make your donation by using the form on page 11.
