But we still have significant projects ahead of us, and the continued support of our members and friends, especially in these difficult economic times, will be critical to our success.

We have an opportunity to secure a government grant to partially fund our two most critical exterior rehabilitation projects; namely, replacing our Lodge Room Balcony level windows and repointing the balance of our exterior masonry. If we can assemble \$45,000 we will be eligible for \$30,000 in matching funds. The total will largely cover these two critical needs.

We welcome your support for the historical preservation of our fraternal home. You may make your gift by using the form on page 11. Gifts to The Lakewood Masonic Foundation are deductible for federal tax purposes to the extent permitted by law.

Our lives have been blessed by the fraternal legacy we have inherited in the form of the Masonic Fraternity and its family of related organizations. Our Lakewood Masonic Family has also been blessed by the physical legacy that we know as our Lakewood Masonic Temple.

Just as Freemasonry was designed and built to withstand the test of history, our Lakewood Masonic Temple was designed and built to last. Beneath its Bedford limestone skin are hidden a

steel skeleton, concrete floor decks and brick and clay tile walls. The concrete roof deck is skinned with clay roof tiles. Buildings of this nature have stood for centuries rather than decades—but only if properly maintained.

In recent years we have successfully assembled the necessary funds to replace many of the elements of our building that, by their nature, have lives measured only in decades. As a result we now have relatively new ele-

## Funding Our New Masonic Scholarship

Even as we continue to solicit gifts for the historic preservation of our beloved Lakewood Masonic Temple, we also seek to fund our new \$1,000 scholarship to be given annually to a deserving graduating senior at Lakewood High School. Our award will be made through the Lakewood High School Alumni Foundation which will select the recipient. Our representative will be permitted to sit in on the interviews.

Freemasonry has always promoted the cause of making good people better, and Masons and Eastern Stars have long traditions of charitable giving for purposes such as our scholarship.

You may designate your gift for one of our specific purposes, or you may make an undesignated gift which our Foundation Board will use for our greatest current need. Your gifts to The Lakewood Masonic Foundation are deductible for federal tax purposes to the extent permitted by law. As always, you are encouraged to consult with your legal and tax advisors.

## LakewoodAlive Partnership

Our Lakewood Masonic Temple has become a formal in-kind partner of LakewoodAlive, whose mission is to promote Downtown Lakewood in particular and the Lakewood community in general.

LakewoodAlive was founded in 2003 as a nonpartisan membership organization seeking to inform and engage citizens about economic development opportunities and activities. Its primary activities include community forums on such topics as housing, city finances, arts and culture and economic development.

LakewoodAlive recently merged with Lakewood Community Progress, Inc. (LCPI), the parent organization of the volunteer-based program Main Street Lakewood. LCPI was founded in 2002 as an economic development corporation jointly sponsored by the Lakewood Chamber of Commerce and the City of Lakewood. LCPI's mission is to improve the quality of life of Lakewood residents by creating alliances with community leaders, leveraging community assets and expanding the pool of community resources to facilitate economic stability and growth.

The new LakewoodAlive is a natural fit and combines the best of its predecessors. Our Lakewood Masonic Temple is a major western anchor of Downtown Lakewood and is a valued venue for community events such as Light Up Lakewood, an event to kick off the holiday season; Walk+Roll Lakewood, a summer event promoting healthy pursuits such as walking and bicycle riding; and the Lakewood Arts Festival. Our facility serves as a welcome rest area and performance venue. Our partnership also benefits our Lakewood Masonic Family by linking us with visitors who may become future renters or members.

You can follow the activities of LakewoodAlive at [www.lakewoodalive.com](http://www.lakewoodalive.com).

## Master's Message

Freemasonry died November 4, 2008. What?! How can that be? Well, Brethren, not in Clifton-Gaston Allen Lodge anyway. We are getting new petitions every meeting. The degree work is better than ever. In fact, we have two Master Mason Degrees on January 22, 2009. Our signature gourmet \$5.00 Dinners on our stated meeting nights are a real hit. We are enjoying great fellowship before and after our meetings. We have another Sweetheart Night scheduled for February 12. And, as always, our Lodge has the only three-day Installation of Officers in the District.

**CLIFTON-GASTON ALLEN LODGE IS ALIVE AND WELL AND LIVING IN LAKEWOOD, OHIO!**

Freemasonry is all about fraternity, making good men better and bringing them together in active social intercourse. The internal and not the external qualifications of a man are what Freemasonry regards; that is why we may know a Brother in the darkness as well as in the light. In fact, it is quite comforting to know that you can go around the world and when meeting a Mason you know you have a true and trustworthy friend in whose fidelity you may safely confide.

When I come to Clifton-Gaston Allen Lodge or visit another Lodge I always know that beyond that door to the Temple building is a warm welcome and great fellowship.

Come visit us here in Lakewood and enjoy all of the great activities going on in our Lodge. Merry Christmas and Happy New Year!

## Master's Message

Brethren, as I write this newsletter it is with the expectation that I will be installed as Worshipful Master of Lakewood Lodge #601 on November 24. Truthfully, when I came into Masonry a little more than six years ago, I never imagined that I would someday step into the East and take leadership of this Lodge filled with so much history and tradition! Why am I compelled to do this? Simply because of the fellowship and brotherhood that this noble organization has to offer!

I do have two concerns, however, that I feel we must seriously address or else face the eventual loss of this Lodge. They are participation and membership. At our first meeting this past September, as we came together following our summer break, I looked around the Lodge Room and noticed two things. The ranks were thin, and at age 59 I was the second youngest guy in the room! This has to change, or else the inevitable will soon become a reality.

Here's some good news! At our last meeting in June we raised two new Master Masons into Lakewood Lodge, and at our first meeting in September we initiated one new member as an Entered Apprentice. We now need to get these younger members to participate along with other new members that we have raised in recent years. Also, we need our long standing brethren to attend Lodge, even if it's only periodically. After all, periodically is better than never at all!

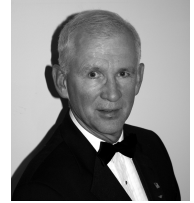

Most importantly, we need ALL MEMBERS of the Lodge to promote new members into the Lodge. Without new members, our recently raised brothers will surely lose interest; and the Lodge will decay. Contact me (note my cell phone number 440.503.4628) or Steve Toth (216.226.4975) with your recommendations.

Finally, Lodge meets the second and fourth Monday of every month at 7:30p. Also, our annual Children's Christmas Party, which we will again hold along with Clifton-Gaston Allen Lodge, will take place on Monday, December 15.

## Matron's Message

Dear Sisters and Brothers:

Installation is over, and I would like to thank all those that participated in our annual Installation of Officers. The evening will be ever so memorable for many years to come. The potted plants used to decorate the banquet tables for the Installation were delivered to our many sisters who are unable to attend meetings. If you didn't get one for Thanksgiving look out for Santa Claus.

At our first Chapter meeting, November 19, we kicked off our first charitable project for the new year. A giving tree was set up in the Temple Library. We placed the tree there because we are encouraging this to be an "ALL TEMPLE PROJECT." The tree is decorated with "GIVING CARDS." Each card is for \$5 or \$10 gifts. We ask that you find one or two cards for gifts that you would like to buy. Sign the card so we know that gift is taken care of. Please purchase the gifts--do not wrap them--and bring the gifts to the Temple by our second December meeting on Wednesday the 17th. All gifts will be delivered to The Cleveland Christian Home for the children. Also, a larger gift or two will be sent along from the Chapter. We hope that you will want to participate in this project.

The Grand Chapter Charity for November is The Masonic Learning Centers, and we will be sending a gift also. Along those lines the month of December is designated as Cancer Survivor's UNITE. January will be "GO GREEN," and February will be "HEART." We will be having some sort of program along those themes.

We will be having our annual Christmas Party on the second Wednesday in December. Plans are still tentative. Plan on nice refreshments and some sort of program.

The winter months are excellent times to talk to our family and friends about Eastern Star, especially the charity work Ann Rutledge does. Give them a petition to join. We really could use some new interested members. Explain the low joining fee and dues.

Busy Bees are busy making little wash rag animals for shut-ins and nursing home residents. Around The Town Dinner Club is enjoyed by all that attend these very fun evenings. Evening Star enjoys getting together on the second Tuesday of the month for lunch and a fun game of dominos.

Sisterly Love,  
Jean

## High Priest's Message

Companions:

The month of October was a busy month for all of Masonry. Grand Council, Grand Chapter, Grand Commandery and Grand Lodge all met in October for their respective Masonic body.

Grand Chapter Royal Arch Masons was held in Miamisburg, Ohio, this past October. Our 16th District started with a caucus at the headquarters hotel where we were told what to expect at this Annual Convocation. This year we had the honor of electing the Grand High Priest from our 16th District. Most Excellent Grand High Priest Robert J. Draye is a member and officer of Heights Chapter No. 206.

The installation of Most Excellent Companion Draye was an open installation done in a most dignified manner. The first lady of Capitular Masonry in Ohio, Paula Draye, had the privilege of investing her husband with the badge of his office.

On Saturday, October 25 our District was privileged with having the first reception in the state for our Grand High Priest. The Grand Chapter Officers from all over the state as well as Grand Officers from other Grand Jurisdictions were present. This was a colorful evening with Grand Officers in their Tuxedos and District Officers in their red coats, all accompanied by their Ladies. Officers and their Ladies from Ohio's York Rite and Scottish Rite Bodies were also present.

On Sunday, October 26 our District held the Religious Reaffirmation at the Chapel at Baldwin Wallace College in Berea. Companions from all over the District were present at this moving, non-sectarian ceremony. The collection of over \$135 went to the Royal Arch Foundation which supports the adoption of special needs children through the Adopt America Network.

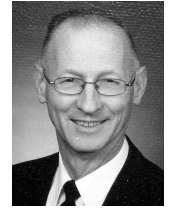

In November we had our Annual Inspection. This year it was in the Mark Master Degree. Our next Convocation will be in January, and the Past Master Degree is in the planning.

In the Past Master Degree much of the information about our Blue Lodges is explained. One learns why the Master of the Lodge is covered while presiding over the Lodge, who gave the instructions for the formation of all Lodges and why the gavel is used.

## Relief

One of the three principal tenets of a Freemason's profession, and thus defined in the lecture of the First Degree:

To relieve the distressed is a duty incumbent on all men, but particularly on Freemasons, who are linked together by an indissoluble chain of sincere affection. To soothe the unhappy, to sympathize with their misfortunes, to compassionate their miseries, and to restore peace to their troubled minds, is the great aim we have in view. On this basis, we form our friendships and establish our connections.

Of the three tenets of a Freemason's profession, which are Brotherly Love, Relief, and Truth, it may be said that *Truth* is the Column of Wisdom, whose rays penetrate and enlighten the inmost recesses of our Lodge; *Brotherly Love*, the Column of Strength, which binds us as one family in the indissoluble bond of fraternal affection; and *Relief*, the Column of Beauty, who ornaments, more precious than the lilies and pomegranates that adorned the pillars of the porch, are the widow's tear of joy and the orphan's prayer of gratitude.

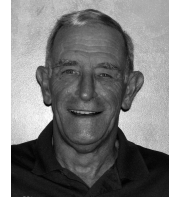

—from Mackey's *Revised Encyclopedia of Freemasonry*, 1946.

Stated Meeting Second Wednesday 7:30 p.m.

## Commander's Message

Greetings, Sir Knights:

As we enter into the winter months, which are rehearsal months for the Commandery, let me remind you that we will be doing full form openings at our meetings. Let's get that part down really pat, then the Order of the Temple will be easy for all of us.

**EXCITING THINGS ARE HAPPENING**—On Saturday, October 4, 2008, a beautiful fall day, the Seventh Division Knights Templar formed an Honor Guard and participated in the Committal Service for the ashes of Anna "Mom" Thorpe as she returned home to the Cleveland Christian Home for Children. A Guard was formed for the Eastern Star Memorial Service conducted by Ellbrook Chapter No. 408 O.E.S. Later a Memorial service was conducted in the school gymnasium and was attended by CCH alumni, area clergy and Home officials. The 7th Division posted colors and at the conclusion of the service formed an escort and led everyone to the Memorial Garden where "Mom" Thorpe was laid to rest. As I witnessed this beautiful event I became most impressed with this woman's devotion to children and was so pleased to hear all the wonderful, favorable remarks that were made about the Commandery's participation.

**THE GIVING TREE**—Ann Rutledge Chapter O.E.S. of Lakewood Temple will erect a Christmas Giving Tree in the Temple Library from November to mid-December. The tree will be decorated with "Giving Cards," and every Mason and Eastern Star is requested to select one or two cards from the tree. Each card is a gift item in the \$5.00 or \$10.00 range. They are all items that will help the children or a parent of the estranged families of the Cleveland Christian Home. We can have more than one signature on a card, just make sure all the cards are signed. Purchase the gift, but do not wrap it, bring it to the Temple, then after the last meeting in December (12/17) we will take the gifts to the Home. In the past the O.E.S. has done a mitten and hat tree, but the Home said they have an ample supply of mittens and suggested the items that are on the cards. PLEASE help out and provide a gift or two.

**MORE GOOD NEWS**—Not known to very many, Holy Grail nominated a pastor for the Commandery Holy Land Pilgrimage to be taken in February 2009. We have recently received word that the Reverend Dale M. Warrick of the United Methodist Church in Sheffield Township has been selected to attend the Pilgrimage. He was originally nominated by Sir Knight Carl Carlson. As we receive more details we will keep you advised.

## **President's Message**

Greetings Sisters:

Cleveland Assembly #15 S.O.O.B. had their Inspection on November 12, 2008. (Mrs. John A.) Velma A. Kleinfelder, Supreme Worthy President, was our Inspecting Officer. Mrs. Kleinfelder was installed as Supreme Worthy President on Friday, September 26, 2008, during the 88th Annual Supreme Assembly held in Tampa, Florida. Her motto is "Circle of Love," and her symbol is the hummingbird. She has chosen two scriptures. The first is found in Psalms 108:4: "For great is your love, higher than the heavens; your faithfulness reaches to the skies;" the second in 1 Corinthians 13:13: "And now these three remain: faith, hope and love. But the greatest of these is love."

During our stated meeting on December 10, 2008, we will have election of Officers for the 2009 year along with our Memorial Service. Installation of Officers will be held on Wednesday, January 14, 2009.

The Social Order of the Beauceant is open to the wives, widows, mothers, sisters, daughters and granddaughters of Knights Templar who are (or were at the time of their decease) in good standing in a Commandery. A petitioner must be at least 18 years of age at the time of petitioning. Contact any Beauceant or Knight Templar for a petition.

## **Homecoming and Memorial Service Held at the Cleveland Christian Home**

On Saturday, October 4, 2008, the Sir Knights of the Seventh Division participated in the Homecoming and Memorial Service held at the Cleveland Christian Home. The event was a Homecoming and Memorial Service for Anna "Mom" Thorpe. Anna Thorpe was an orphan herself and arrived at the home at the age of 16 from Oklahoma. At the time of her arrival, the children at the home had a diet of cottage cheese and prunes, and denim clothing was what they wore. Mrs. Thorpe vowed that if she had the power, she would change this and provide better for the children. She eventually took over the running of the Home and kept her word to the children. She ran the home for approximately 43 years. She married, and after retirement her husband and she moved to Michigan. They resided there until their deaths. Their ashes have been returned to the Home and are to be interned in a Memorial Garden dedicated to their memory.

The Sir Knights in 1925 raised and donated enough money to build and furnish the Babies Wing of the Cleveland Christian Home (which was a large sum of money for this period). These Commanderies included Oriental #12, Holyrood #32, Forest City #40, Coeur de Lion #64, Holy Grail #70, Allenby #73 and Heights #76 (which is now part of Coeur de Lion #64). The interaction between the Sir Knights and the boys at the home was so long lasting that when they had grown into manhood they became Masons and then Sir Knights as a way of paying back some of what the Fraternity had given them when they were youths.

## Social Character of Freemasonry

Freemasonry attracts our attention as a great *social* Institution. Laying aside for the time those artificial distinctions of rank and wealth, which, however, are necessary in the world to the regular progression of society, its members meet in their Lodges on one common level of brotherhood and equality. There virtue and talent alone claim and receive pre-eminence, and the great object of all is to see who can best work and best agree. There friendship and fraternal affection are strenuously inculcated and assiduously cultivated, and that great mystic tie is established which peculiarly distinguishes the society. Hence is it that Washington has declared that the benevolent purpose of the Masonic Institution is to enlarge the sphere of social happiness, and its grand object to promote the happiness of the human race.
